Biannual Conference

Just Around the Corner!

A warm word of welcome in advance to the beautiful Eastern Cape! Arrangements are going full steam ahead to ensure three days of great networking and academic input.

We are most excited about the number of international delegates we have attending, but we have definitely gone 'local is lekker' in terms

of our cuisine, gifts, conference bags and entertainment. We hope you will all be as enthusiastic about our choices as we are.

Kind regards

Lana
